

ALDERMEN FAVOR JEFFERSON STATUE IN CITY HALL PARK

Resolution Offered by Alderman James Smith at Today's Session Is Adopted.

The aim of the late Joseph Pulitzer to have a statue erected in a prominent place in this city is a memorial to Thomas Jefferson in nearer realization. The Board of Aldermen acted favorably today on a resolution presented by Alderman James Smith designating a site in City Hall Park for the erection of the memorial.

In presenting the resolution, Alderman Smith spoke of the achievements of the great statesman.

It was a disgrace, he said, that no memorial of the great man was on view in any of the public parks or places in this city. He hoped the movement now under way would result in the establishment of a memorial which would proclaim to the world the attainments, patriotism and statesmanlike qualities of Jefferson. He proposed that the memorial take the place of the ugly, antiquated and little used fountain in the park.

The resolution is as follows: "Resolved, That the Commissioner of Parks for the boroughs of Manhattan and Richmond, subject to

such approval as may be necessary by the Art Commission of the city of New York, be and he hereby is requested to set aside the space in the southeast section of the City Hall Park, now occupied by a fountain which is in disuse most of the time, as an eligible site upon which to erect the contemplated monument to the memory of Thomas Jefferson."

3,456 Mendels Make HOUSE DRESSES at \$1.15

Regular Prices, \$1.50, \$2, \$2.50

Once a year we have a sale of these famous house dresses, recognized as one of the three best makes.

This year's offering is better than ever. The price is lower; styles, patterns and colorings are more attractive.

Seven splendid styles, of percales, ginghams and lawns.

One style in particular, illustrated, in another material, a cotton challis was a splendid seller with us at \$4.50. It is a round neck model, with kimono sleeves, buttoning at the side front, finished with a piping of black and white stripes. Another striking model is of lawn, a dainty well covered pattern, skirt panel back and front; pleasingly trimmed with bands of plain colored material.

The house dresses of ginghams are mainly Dutch neck models, with three-quarter sleeves, in checks and stripes.

Then there are the always-wanted house dresses of black-and-white and blue-and-white checks, light and dark patterns, trimmed with bands and piping, as well as a fair quantity of pinks and lavender. Made as the celebrated "Mendel" dresses always are, made with tailored seams, plenty of fullness where fullness is desired, and good, deep hems. Every woman knows how well they wear.
